Announcements

Please note our change of address. The monastery remains at the same location, but we have decided to avail ourselves of the convenience afforded by the kind offer of the townsmen of Pine City; our actual postal address, to pick up and deliver our mail daily. This may occasion some confusion at first, but will be for the eventual benefit of the community and all its correspondents. The address of August 3 is

We have decided to follow the custom of the past two years and celebrate Dedication Day in September, on Sunday the 15th. D-Day last year, though a week later than the 15th, was such a day of celebration that we are encouraged to follow it again. Of course, we are not the only ones with our plans, for the local fire department has scheduled a parade and a centennial celebration for that day. In connection with the festivities, we are happy to announce that we will be hosting a special event for the benefit of the monastery. Our event will be held on the second day of September, and will feature a special performance by the famous martial band of the British Army. The event will be open to the public, and we encourage everyone to attend."
In the course of the years so many people have befriended us that it is impossible to give all of their specific recognitions in a Chronicle or Newsletter. We do want, however, to express our sympathy with the Rossi family of Elmina, whose family name has been a byword among us for years as a result of the kindness of the many members of the several branches of their family that have visited us. Recently Mr. and Mrs. Philip Rossi were killed together with Mr. and Mrs. Matthew Brockman when the car in which they were driving was hit by a train at the crossing in the town of Horsheads, outside Elmina. To both bereaved families go our deep sympathy and prayers for the deceased and the resignation of the survivors. The day after the funeral it was our joy to welcome the daughter of Mr. and Mrs. Brockman, Sister Eleanor, O.S.B. of the Benedictine nuns of St. Mary's, Pa., at the offering of the Conventional Mass for the deceased.

If we may be pardoned a paragraph of "abbatial news" we would like to express our affection for Abbot Bede Luibel of Saint Bernard Abbey, Alabama, who visited us in March. An old friend of Reverend Father Darnell, though young in years, Abbot Bede spent a quiet few days here in the course of making the canonical visitation of Abbeys in the Northeast. The day of his departure he addressed the community in Chapter, giving us one of the most beautiful and meaningful talks in modern life that it has ever been our privilege to listen to. In the same breath we should like to extend our warm congratulations to the communities of St. Vincent Archabbey, Latrobe, Pa., and Saint Anselm's Abbey, Manchester, N.H., both of which have recently elected new Abbots Corduiter. The Right Reverend Rembert Weakland is elected to assist Archabbot Denis Stueummond of Saint Vincent; the Right Reverend Gerald McCarty to assist Abbot Bertrand Dolan of Saint Anselm's. We extend our cordial good wishes to all, particularly to Abbot Bernard, who is in the 36th year of one of the finest and most productive abbacies of American Benedictine history.

July 30. Within the last few days we have been grieved by the death of two of our oldest friends and benefactors, Mr. William Emerson of the Mark Twain Hotel in Elmina and Mrs. Catherine MacK, librarian in the Corning Glass Works museum in Corning. May they rest in peace.
